Defendant, pro se :

Plaintiff's Notice of Non-Opposition and Miscellaneous Matters RE: ECF 361 -Plaintiff's Motion
to Stay Trial

Please Take Notice that concerning my Motion to Stay the Trial (ECF 361) Defendant “Elliott agrees that the Court’s Rulings” “could substantially narrow the issues at trial” and Elliott “defers entirely to the Court regarding the timing and administration of this Action.” See Defendant Elliott’s Response (ECF 372 at Footnote 1)

Notwithstanding that Elliott agrees with the stay for reasons related to only her own pending motions in limine; Nevertheless Elliott's response constitutes Non- Opposition to my motion to Stay the Trial.

In addition, the Stay could also increase my prospects for securing attorney representation given that my case has been passed over by volunteer attorneys who have found issues taking the case due to the "tight timing" concerning the trial date which is currently scheduled for August 25, 2025. See Exhibit A (redacted for Confidentiality purposes only)

For these reasons, Please Stay the Trial Pending the Court's adjudication of all outstanding motions before the Court- including my Motions for Default and Dismissal Sanctions.

Humbly and Respectfully Submitted,
Terry Williams
